Just want to clarify, mod v1 gives immortality and purchased content but no mod of v2? Just want to clarify, mod v1 gives immortality and purchased content but no mod of v2? Right. Lucky Patcher\* may \* allow you to use the reinstall option to keep your savegame but I doubt it will work. If you are rooted even though you can use a lucky sticker to install any mod across the other and will not affect your save. Responses: Mitotatory is correct. Lucky Patcher\* may \* allow you to use the reinstall option to keep your savegame but I doubt it will work. If you are rooted even though you can use a lucky sticker to install any mod across the other and will not affect your save. There is no need to do anything special just install with v1 back zip obb remove v1 install v2 and use as many points as you feel like but will tell you it will take a long time to bribe my nephew with \$ and drive to the mall to get all 4-5k each and stop there the same zip game data and install v1 and enjoy obolo currency is not unlimited though. Well I instaled mod, I used it 1 time max stats just to 500 bought a little, when trying next time to get into it dosent connect to my Google game more, but it did... Does anyone know how to fix it? Does signing in to Google Play work? I did it for the first time without root, how with root?
